smplsolutions Team:

Thank you for providing me with top-notch service and a great cloud phone system for my new office. Like all new system implementations, there were a few bugs in getting everything up and running. However, your team jumped on it and sorted everything out for me. Your techs were at my office on numerous occasions making sure everything worked properly and that my business experienced minimal hiccups.

I've spoken to nearly all your team members and everyone is very professional and helpful. I appreciate all the ongoing support and look forward to expanding your services as our business grows!

Sincerely,

Kathy Lamm, Lic# 0H65550
