Mr. David Case
President
SmplSolutions
20503 Crescent Bay Drive
Lake Forest, CA 92630

Dear David,

SmplSolutions has helped solve longstanding needs with our telecommunications system. Initially, you gained our confidence by easily solving a long-problematic issue that our previous vendor tried but couldn't fix. Now, with your help, we've evolved our telecommunications to deliver a more cost-effective, better-functioning result. Through it all, you and your team are a pleasure to work with.

Thank you!
