Dear Mr. Case:

Strata Realty has now been using your services for phone system support, data network support, cabling and website/software integration since the summer of 2000. I am happy to provide you a testimonial as to the quality of the services provided by smplsolutions, and wish you great luck with the new launch of your re-designed website.

We could not be happier with the quality of customer service your staff provides, and especially the quality of service the field technicians provide. It is always a pleasure to see your well dressed, well groomed technicians in our office.

Thanks again, and we look forward to many more years of your impeccable service.

Sincerely,  
STRATA REALTY, Inc.
