smplsolutions Secures Two-Year Contract with California Highway Patrol's Southern & Border Divisions

Will Provide Toshiba Phone and Cabling Support Services

(Lake Forest, CA – January 31, 2012) – **smplsolutions** secured a two-year contract starting January 1, 2012 with the California Highway Patrol (CHP) to provide on-call maintenance and Toshiba phone system support to over 40 Border Division and Southern Division locations in Los Angeles, Orange, Riverside and Imperial Counties. **smplsolutions** won the contract after meeting the requirements as an authorized Toshiba Dealer, California certified small business, licensed California contractor, and authorized California Multiple Award Schedules (C-MAS) contractor.

David Case, President and CEO of **smplsolutions**, said, "Personally and companywide we are strong supporters of all US security forces. The Tech Team is excited to be delivering the CHP the best products and services over the next two years, and, based on our past experience with government contracts, we are certain we will deliver the results and quality expected of us."

As stated in the contract, **smplsolutions** will provide repair, service and replacement support for Toshiba phone systems and all cabling needs at over 40 on-site and remote locations across the CHP Southern and Border Divisions.

About **smplsolutions** – Founded in 1996, **smplsolutions** has focused on excellence as a communications technology company by providing its customers with expert advice, problem solving resources, creative engineering and high quality professional services. The company serves as a one-stop shop for telephone, computer networking, video surveillance, data management, and cabling necessities. Our highly trained technicians and experts, The Tech Team, help customers plan, budget, and prepare for today's needs and tomorrow's new technologies. Visit **smplsolutions** on the web at www.smplsolutions.com.
