## **smplsolutions to Provide Maintenance for Toshiba Phone Systems at Hawthorne School District Facilities**

**Lake Forest, CA** – (July 5, 2012) – Telecommunication experts, **smplsolutions**, will be providing Toshiba Telephone maintenance at 14 Hawthorne School District facilities beginning in July 2012. Among the district facilities to be serviced are seven elementary schools, three middle schools and a charter high school.

David Case, President & CEO at **smplsolutions**, stated, “We will assist Hawthorne School District in preserving the quality of their telephone system to reduce unexpected costs and extend the life of their technology. We’re pleased to provide this service so that district officials can focus on educating students in the Southern California community.”

Founded in 1907, Hawthorne School District staff and the surrounding community are dedicated to educational excellence and the continuous academic growth of all students. The district’s Vision Statement is to build “a diverse community of lifelong learners who excel and positively contribute to an advancing global society.”

About **smplsolutions** – Founded in 1996, **smplsolutions** has focused on excellence as a communications technology company by providing its customers with expert advice, problem solving resources, creative engineering and high quality professional services. The company serves as a one-stop shop for telephone, computer networking, video surveillance, data management, and cabling necessities. Our highly trained technicians and experts, The Tech Team, help customers plan, budget, and prepare for today’s needs and tomorrow’s new technologies.
