## **smplsolutions Concludes Successful Food Drive Recognizes New Method Wellness as Highest Contributor**

Lake Forest, CA – (November 28, 2012) – **smplsolutions**, your trusted partner in business communications technology, is proud to announce the success of its food drive, during which it collected 116 pounds of food for local nonprofit [South County Outreach](#). In addition, **smplsolutions** would like to recognize its client [New Method Wellness](#) as the highest contributor to the food drive.

“Much like the people who rely on South County Outreach, our clients very often have lost hope in their ability to overcome their situation. Helping people get to a better place physically and emotionally is something we are very passionate about,” says Bing Crosby, Chief Financial Officer at New Method Wellness.

New Method Wellness provides an innovative approach to the treatment of drug addiction and alcoholism. Its mission is to bring hope to families and suffering individuals who once had none. The staff believes in positive growth and in teaching clients how to love themselves again and live freely.

In appreciation of its generous donation, **smplsolutions** will provide two hours of network maintenance, including travel to and from New Method Wellness’s location, free of charge.
