## **smplsolutions Contributes to Toshiba's Soles4Souls Shoe Drive**

(Lake Forest, CA – December 4, 2014) – **smplsolutions**, authorized Toshiba dealer and telecom specialist, participated in a [Soles4Souls®](#) shoe drive hosted by Toshiba. The goal was for Toshiba locations across the United States to collect 10,000 pairs of donated shoes between November 10 and December 1. During that time, **smplsolutions** collected 53 pairs of men's, women's and children's shoes.

After the shoes are counted, they will be shipped to Soles4Souls®. The shoes will be used in a microfinancing program in third world countries to help break the cycle of poverty. Proceeds from the microfinance program are put into funding shoe donations to help those in need in the United States. Additionally, the donated shoes are being rescued from landfills and given a second life.

“**smplsolutions**, an authorized Toshiba telecom and surveillance dealer, was more than enthusiastic to help with this donation drive. Within a couple of weeks, they collected 53 pairs of shoes. Their participation and interest in this endeavor demonstrates why we've had such a long working relationship with them. They are great people and a professional organization,” said Karena Lang, marketing and programs manager for Toshiba America Information Systems, Inc.

About **smplsolutions** – Founded in 1996, **smplsolutions** has focused on excellence as a communications technology company by providing its customers with expert advice, problem-solving resources, creative engineering and high quality professional services.
